This is a detailed topographic map of the Annecy region in France. The map shows the city of Annecy at the center, with the Lac d'Annecy to its west. Surrounding towns and villages are labeled, including Dardagny, Annemasse, and Seynod. The map features a network of roads, with major roads indicated by thicker lines. Elevation contours are shown throughout the landscape, indicating the terrain's slope. A scale bar in the top left corner shows distances in kilometers (0, 2, 4 km) and miles (0, 2, 4 miles). The map also includes various geographical features such as rivers, lakes, and forests.
